The screenshot displays the EndNote X7 application window titled "EndNote X7 - My EndNote Library". The "Tools" menu is open, and the "Online Search..." option is highlighted with a red circle. The "Choose A Connection" dialog box is also open, showing a list of available database connections. The "PubMed (NLM)" connection is selected. The dialog box includes a "Quick Search" field, a "Find by" dropdown, and a "Choose" button. Below the list, there is a section for "Less Info:" which provides details about the selected connection file.

Online Database search on Integrated Mode

The screenshot displays the EndNote X7 Integrated Mode interface. The title bar reads "EndNote X7 - Mahajan, 2012 #4". The menu bar includes File, Edit, References, Groups, Tools, Window, and Help. The toolbar contains various icons for document management and search. The left sidebar shows the "My Library" tree with "All References (5)", "Copied References (5)", "Unfiled (5)", and "Trash (0)". Under "My Groups", there is an "Online Search" section with "Library of Congress (0)", "LISTA (EBSCO) (0)", "PubMed (NLM) (0)", and "Web of Science (TS) (0)". The "Find Full Text" button is at the bottom of the sidebar. The main pane shows a table of references with columns Author, Year, and Title. The selected reference is by Mahajan, Y. and McArthur, G. (2012) titled "Maturation of auditory event-related potentials across adolescence". The right pane shows the "Reference" details for this entry, including the author, year, title, journal (Hear Res), volume (294), issue (1-2), pages (82-94), start page, and publication date (Dec).

Google scholar search & import to Endnote

The screenshot shows a Firefox browser window with the Google Scholar search results for the query 'autism'. The search results list several articles, including 'The prevalence of anxiety and mood problems among children with autism and Asperger syndrome' by JA Kim, P Szatmari, SE Bryson, DL Streiner, FJ Wilson (2000), 'Anxiety in high-functioning children with autism' by A Gillott, F Furniss, A Walter (2001), 'Diagnosis in Autism A Survey of Over 1200 Patients in the UK' by P Howlin, A Moorf (1997), and 'Outcome in adult life for more able individuals with autism or Asperger' by P Howlin (2000). Each article entry includes a link to 'Import into EndNote'. A red circle highlights the 'Import into EndNote' link for the article 'Anxiety in high-functioning children with autism'.

Overlaid on the bottom right of the browser window is a dialog box titled 'Opening scholar.enw'. The dialog box contains the following text:

You have chosen to open:

- scholar.enw**
which is: EndNote Import File (207 bytes)
from: http://scholar.google.com

What should Firefox do with this file?

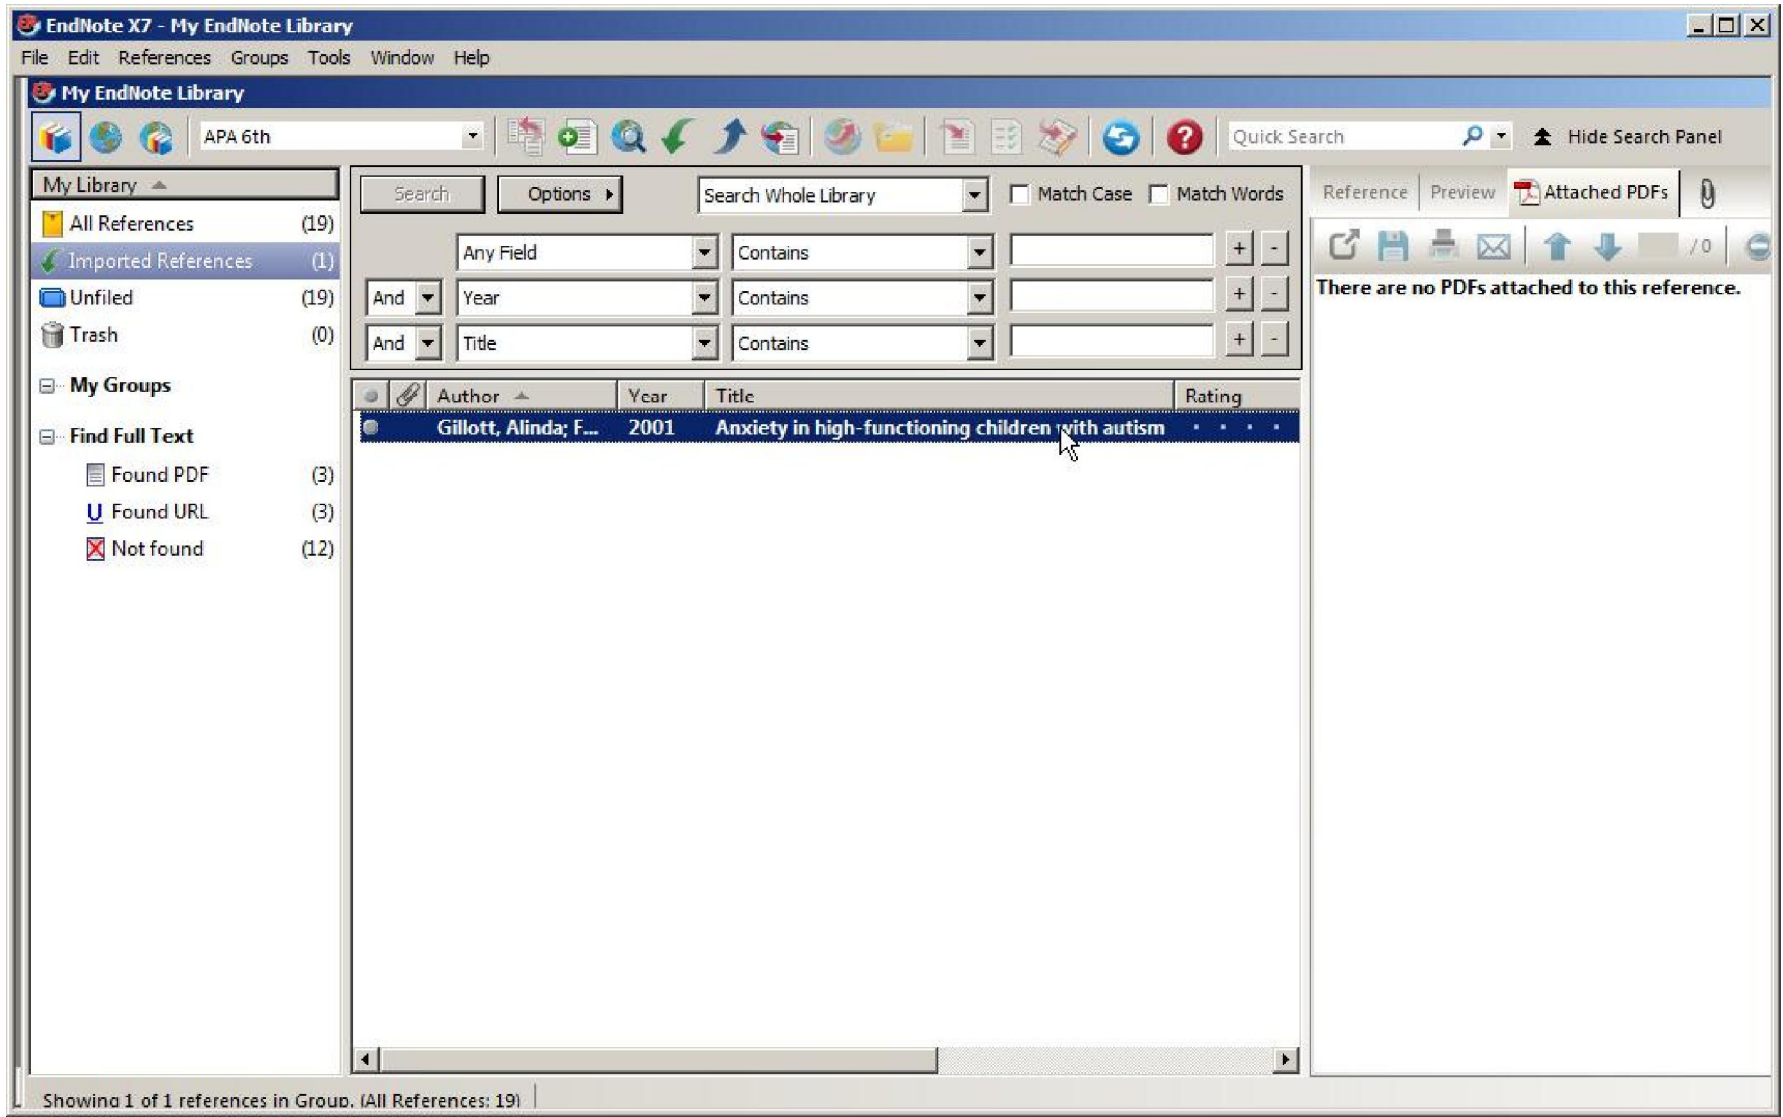

☒ **Open with:** EndNote X7.0.1 (Bld 7212) (default)

☐ Save File

☐ Do this automatically for files like this from now on.

At the bottom right of the dialog box, the 'OK' button is circled in red, and a mouse cursor is pointing at it.

Search databases (1)

ABI/INFORM Global Search >

 This database is one of the most comprehensive business databases on the market. It includes in-depth coverage for thousands of publications, most of which are available in full text and the latest business and financial information for researchers at all levels.

Want to Learn More?

Try one of these options:

- Search the online Help.
- Learn about search syntax changes in the new ProQuest.
- Discover answers to common questions at ProQuest's Product Support Center.
- Got an uncommon question? Contact our Customer Support Team.

Search tip

By default, we will look for documents with all the terms entered.

Use "quotation marks" to search for exact phrases. Separate terms with OR to find any of the words entered.

The image shows a 'ProQuest Export/Save' dialog box. It has a title bar with 'Help', a question mark icon, and a close icon. The main area is light blue and contains several sections. The first section is 'Export/Save' with 'Items selected: 5' and a checkbox 'Deselect items when done'. The second section is 'Output to:' with a dropdown menu showing 'EndNote, Citavi, or Reference Manager', which is circled in red. The third section is 'Content: (where available)' with a dropdown menu showing 'Citation, abstract, indexing'. The fourth section is 'Bibliography:' with a checkbox 'Include bibliographic citations at the end'. The fifth section is 'Citation style:' with a dropdown menu showing 'APA 6th - American Psychological Association, 6th Edition'. The sixth section is 'Include:' with four checkboxes: 'Recent searches', 'Table of contents', 'Cover page/header', and 'Document numbering'. The last two are checked. At the bottom, there is a note: 'Opens a file in your citation management tool. You may be asked which program to use to open the file.' and two buttons: 'Continue' (circled in red) and 'Cancel'.

Local Library Mode

The screenshot shows the EndNote X7 interface. The left sidebar displays the library structure: My Library (18), All References (18), Imported References (5), Unfiled (18), and Trash (0). The main pane shows a search results table with columns: Author, Year, Title, and Rating. The table lists 18 references. The last four references are highlighted in blue, indicating they are duplicates. A red bracket labeled 'Duplicate' points to these four entries. The right pane shows the preview of the selected reference, which is a paper by Yamada, E., Ohkubo, H., Higurashi, T., Sakai, E., Endo, H., ... Nakajima, A. (2013) titled 'Visceral obesity for left-sided diverticulitis in Japan: a multi-center retrospective study'.
