The screenshot displays the EndNote X7 application window. The title bar reads "EndNote X7 -". The menu bar includes "File", "Edit", "References", "Groups", "Tools", "Window", and "Help". The main window is titled "My EndNote Library" and features a toolbar with various icons and a "Quick Search" field. On the left, a sidebar shows "My Library" with categories: "All References (0)", "Unfiled (0)", "Trash (0)", "My Groups", "Online Search" (with sub-items: "Library of Congress (0)", "LISTA (EBSCO) (0)", "PubMed (NLM) (0)", "Web of Science (TS) (0)", "more..."), and "Find Full Text". The central area contains a search interface with a "Search" button, an "Options" dropdown, and a "Search Whole Library" dropdown. Below this are three search criteria rows: "Author" (Contains), "Year" (Contains), and "Title" (Contains). A table below the search criteria has columns for "Author", "Year", "Title", and "Rating". The right sidebar shows "Reference" and "Preview" tabs, with "No References Selected" displayed. The status bar at the bottom indicates "Showing 0 of 0 references." and a "Layout" dropdown.

[The prevalence of anxiety and mood problems among children with autism and Asperger syndrome](#)
JA Kim, P Szatmari, SE Bryson, DL Streiner, FJ Wilson - *Autism*, 2000 - aut.sagepub.com
Abstract The objective of this study was to report on the prevalence and correlates of anxiety and mood problems among 9-to 14-year-old children with Asperger syndrome (AS) and high-functioning autism. Children who received a diagnosis of autism (n 40) or AS (n 19) were included. Cited by 453 Related articles All 4 versions Import into EndNote More

[Anxiety in high-functioning children with autism](#)
A Gillott, F Furniss, A Walter - *Autism*, 2001 - aut.sagepub.com
Abstract High-functioning children with autism were compared with two control groups on measures of anxiety and social worries. Comparison control groups consisted of children with specific language impairment (SLI) and normally developing children. Each group was matched for age and IQ. Cited by 318 Related articles All 6 versions **Import into EndNote** More

[Diagnosis in Autism A Survey of Over 1200 Patients in the UK](#)
P Howlin, A Moorff - *Autism*, 1997 - aut.sagepub.com
Abstract The results of a survey of almost 1300 parent members of autistic societies in the UK are described. The ages of their children ranged from 2 to 49 years. The survey focused on parents' views of the diagnostic process and data were collected on the age at which their children were diagnosed. Cited by 372 Related articles All 2 versions Import into EndNote More

[Outcome in adult life for more able individuals with autism or Asperger syndrome](#)
P Howlin - *Autism*, 2000 - aut.sagepub.com
Abstract The paper reviews what is known about outcome in adult life for more able individuals within the autistic spectrum. Because of the problems associated with differential diagnosis, the results of studies involving high-functioning people with autism and Asperger syndrome are reviewed. Cited by 239 Related articles All 4 versions Import into EndNote More

... and the rest of the tasks are as same as the previous one...

Importing references from PDF files

Entry of New reference

The screenshot displays the EndNote X7 software interface. The 'References' menu is open, and the 'New Reference' option is highlighted with a red circle. The menu items include:

- New Reference (Ctrl+N)
- Edit References (Ctrl+E)
- Move References to Trash (Ctrl+D)
- Go To... (Ctrl+J)
- Copy References To
- E-mail Reference
- File Attachments
 - PDF Viewer
 - Find Full Text
 - Find Reference Updates...
- URL
- Figure
- Next Reference (Ctrl+Page Down)
- Previous Reference (Ctrl+Page Up)
- Show All References (Ctrl+M)
- Show Selected References
- Hide Selected References
- Record Summary...
- Find Duplicates
- Restore to Library
- Resolve Sync Conflicts...
- Empty Trash

The main window shows a search bar with 'Quick Search' and 'Hide Search Panel' options. Below the search bar, there are search filters for 'Search Whole Library', 'Match Case', and 'Match Words'. A table of references is visible, with one entry selected:

	Year	Title	Rating
st C; ...	2012	Factorial invariance of LibQUAL+® as a measur...	

The status bar at the bottom indicates 'Showing 1 of 1 references in Group. (All References: 22)'.

Entry of New reference

The screenshot shows the 'EndNote X7 - New Reference' dialog box. The window title is 'EndNote X7 - New Reference'. The menu bar includes 'File', 'Edit', 'References', 'Groups', 'Tools', 'Window', and 'Help'. The main area is titled 'My EndNote Library' and contains a 'New Reference' tab. The 'Reference Type' is set to 'Journal Article'. The reference details are as follows:

- Rating:**
- Author:** David Lewis
- Year:** 2012
- Title:** Academic Libraries in Challenging Times
- Journal:** The Irish Library
- Volume:** 12
- Issue:** 2
- Pages:** 14
- Start Page:** 112
- Epub Date:**

A red arrow points to the close button (X) in the top right corner of the dialog box. A red bracket highlights the reference details. A red text annotation reads 'Close it after saving'. The status bar at the bottom indicates 'Showing 23 of 23 references.'

Entry of New reference

The screenshot shows the EndNote X7 interface. The main window displays a list of references in a table format. The table has columns for Author, Year, Title, and Rating. The reference 'Academic Libraries in Challenging Times' by David Lewis is highlighted in blue. The status bar at the bottom indicates 'Showing 24 of 24 references.'
