REGISTRATION

Information on Registration and Advising

Most of the full-time faculty members are academic advisors of students. Each student is assigned an academic advisor to help and guide in planning the program of study. During the registration students are required to meet with the academic advisor who will advise them regarding registration for the courses.

Students should register at the earliest opportunity because class sizes are limited. The academic advisors are present at the respective offices during the registration period. The financial guarantor/guardian of the student may come and visit the academic advisors to find out about the academic performance of their ward(s).

The students who are yet to earn 9 credits or on probation must go to their respective advisors to register their courses on their designated date for registration. Others will register for their courses by using iRAS.

Please note, registration is valid if the fee is paid on time.

Add/Drop/ Late Registration Procedure

A student may add or drop a course after the registration at a designated date given by the Registrar's Office. The students who have earned 0-9 credit hours will have to go to their respective advisors to add/drop their courses on their respective date. Others will add/drop or late register their courses by using iRAS.

Minimum Credit Requirement per Semester

- The newly entering students are recommended to take 9 credits in a semester. These 9 credits should come from foundation courses in a PRESCRIBED SEQUENCE.
- Returning students are usually recommended to take 9 credits in a semester. However, students may take a maximum of 18 credits in a semester. Furthermore, Students may also register for 6 credits in a semester and continue as a regular student.
- The rule that should be followed is that a student must clear all previously failed courses whether foundation or not.
- For Financial Aid and Award a student needs to fulfil the required criteria specified in the policy.
- Additional courses must include foundation courses in A PRESCRIBED SEQUENCE. For example, if a student has failed two non-foundation courses (totaling 6 credits) in the previous semester and she/he wishes to enroll for only 6 credits, they must re-take the two failed courses. If they wish to enroll for 9 credits or above, the additional courses must include a minimum of 6 credits from foundation courses in a PRESCRIBED SEQUENCE. Thus, if he/she is enrolling for 9 credits, the student will take 6 credits from the failed courses (retaken) and

an additional 3 credits from foundation courses in a PRESCRIBED SEQUENCE. If he/she is enrolling for 12 credits, the student will take 6 credits from the failed courses (retaken) and an additional 6 credits from foundation courses in a PRESCRIBED SEQUENCE.

- If a returning student has no previously failed courses, he/she must take a minimum of 6 credits from foundation courses in A PRESCRIBED SEQUENCE until all 12 foundation courses have been completed.

Attendance Policy

- There will be no auto-withdrawal for any course effective from the Spring 2026 semester.
- A minimum of 60% attendance in each course is mandatory to be eligible to sit for the Final Examination.

Leave of Absence

- A student intending to drop a regular semester must apply for a Leave of Absence by submitting the designated form through iRAS. Such leave may be taken at any time within the approved timeframe for degree completion. Students who fail to register for two consecutive semesters without prior approval will forfeit their regular student status. Reinstatement requires approval from the Registrar's Office and payment of a fee of Tk. 15,000. If a student remains unregistered for three consecutive semesters without prior approval, a readmission fee of Tk. 20,000 will be required.
- Within the maximum eight-year timeframe for completing the degree, a student is permitted to apply for a maximum of three semesters of leave.

Advantage of being a Full-time Student

A student will be considered a full-time student provided he/she has enrolled for a minimum of 12 credits in a Semester. Students who register for any regular semester with full-time status are eligible to receive the following benefits:

- To apply for financial aid / tuition discount
- To be considered for semester honors list
- To apply for part-time jobs in the University to complete graduation on time.

Time Limitation for Completing Degree

Students will be allowed up to a maximum of 8 years from the date of their initial enrollment to complete their degree at the undergraduate level.

NON-DEGREE STUDENTS

Students coming from recognized universities other than IUB can study and earn credits at IUB provided they have a letter of authorization from the home Universities. These letters should be addressed to the Admissions Office of IUB.

A non-degree student is allowed to register for a maximum of 15 (fifteen) credits per semester with a Cumulative Grade Point Average (CGPA) of 2.00. Students from a recognized University/Institution will not be allowed to earn credits instead they would be awarded completion certificates.

These students will be allowed to register for only two courses. No admission fee is required for non-degree students. Per credit cost will be Tk10,000/-or any amount time to time decided by the University.

Credits earned by a non-degree student will not be counted towards the fulfillment of the degree requirement at IUB.

EXPLANATION OF GRADING SYSTEM

De-abbreviation of the Grades and their quality points for calculation of GPA/CGPA is as follows:

Letter Grade	Numeric Score*	Explanation	Grade Point
A	90% and above	Excellent	4
A-	85% to less than 90%	Excellent	3.7
B+	80% to less than 85%	Good	3.3
B	75% to less than 80%	Good	3
B-	70% to less than 75%	Good	2.7
C+	65% to less than 70%	Passing	2.3
C	60% to less than 65%	Passing	2
C-	55% to less than 60%	Passing	1.7
D+	50% to less than 55%	Deficient Passing	1.3
D	45% to less than 50%	Deficient Passing	1
P	-	Pass	0
R	-	Referred	0
F	Less than 45%	Failing	0
I	-	Incomplete	0
W	-	Withdrawal	0
S	-	Satisfactory	0
U	-	Unsatisfactory	0
O	-	Administrative Withdrawal	0
Y	-	Audit	0
Z	-	No Grades Received	0
Blank	-	Institutional	0
E	-	Examination	0
T	-	Repeated (Credit Not Allowed)	0
R	-	Repeated (Credit Allowed)	0

- *A ‘Y’ grade means audit. A student may decide to audit a course of his/her interest. In this case, the student pays the full tuition fee for the course, attends the classes, but is not required to sit for the exams or turn in the assignments. No credit is earned.
- **An ‘O’ grade is given to a student who has been administratively discontinued by the management as a punitive measure.
- ***A ‘Z’ grade is a system generated symbol assigned by the system if no grade is received within the deadline. A transcript shows the earned credit, grade status for course(s) taken at IUB and those transferred from other institutions.

Retake (R)/Repeating a Course

- A student may retake a course for improvement of CGPA within the next four semesters of the original course registration. However, a course must be retaken in the immediate successive semester if the grade received is F or less than the minimum acceptable pre- requisite grade in the School/Dept of the student.
- In the event of a retake the latest grade earned by the student will be considered towards counting of the CGPA. Students will be allowed to retake any course twice only.

Fail (F)

- For failing in a course 'F' grade will be awarded and will remain in the transcript even when a student retakes the same course and receives a passing grade.
- Failing in the same course thrice will lead to cancellation of admission. However, in order to continue at the University, the student may change majors or Schools depending on the failing course(s).
- Having 'F' grade in a non-mandatory course will not hold back a student's graduation.

Incomplete (I)

- 'I' will be awarded to a student who has attended 75% classes and have a very strong and valid reason ascertained by the senior management for not appearing the final examination. However, awarding of Incomplete or 'I' grades should be strongly discouraged.
- In situations where a student is unable to complete the course due to unanticipated illness or family emergency and has not attended at least 75% of the classes held, he/she will be asked to withdraw from that course and repeat it.
- In unavoidable circumstances where students have completed 75% of the classes but are unable to continue due to illness or extreme family emergency, instructors are requested to give the student a composite grade based on assignments/tests that have already been completed and any additional assignment/exam that the instructor feels necessary.
- The student should fulfill the requirement before the end of the following semester in consultation with the course-instructor, failing which the grade converts to 'F'. The student is not required to register for the course next semester.

Withdrawal (W)

- A 'W' grade indicates that the student has withdrawn from a course.
- Students may withdraw from a course by the deadline specified by the university each semester.
- A student may withdraw from a particular course a maximum of two times effective from the Spring 2026 semester.

Probation

- A CGPA of less than 2.00 will result in the student being placed on probation and such a student must immediately consult his/her Academic Advisor.
- If the CGPA is below 1.50 and the student is on probation for two successive semesters at the end of which his/her admission to this University is cancelled.
- If the CGPA is 1.50 or above but still below 2.00, the student is permitted to continue for one more semester on probation. By the end of this third semester in probation, the student must increase the CGPA to
- 2.00 or above; otherwise, his/her admission to this University will be cancelled.
